We launched our own YouTube channel today – adding on to the other Constantia Flexibles Social Media channels Facebook, Twitter and LinkedIn. You will find a selection of Corporate Videos, product videos and clips on social projects carried out at different CFLEX sites worldwide. We have included the most important clips that have been produced so far and we will continue to add videos as we move ahead!

YouTube is the largest video platform in the world. More video content is uploaded to YouTube in a 60 day period than the three major U.S.

television networks created in 60 years. Here are some amazing facts:

400 Hours of Video Per Minute

YouTube's statistics at the end of 2015 claim that more than 400 hours of video was uploaded to the site per minute.

One-Third of the World on YouTube

At over one billion users, YouTube has over a third of the entire population of the Internet as users.

Half of YouTube's Viewers Are on Mobile

Average of 40 Minute Sessions

On mobile, viewers are spending an average of 40 minutes watching content every time they open the app. That's a LOT of viewing hours.

Most Watched Video is Gangnam Style

Gangnam style is the most watched video ever, currently sitting on just under 2.5 billion views.
