## Non-recurring income – Key elements

- ▶ **€373.4M net impact linked to the adjustment of the value of Saint-Gobain shares on Wendel's 2010 consolidated balance sheet:**

Saint-Gobain	At	At	At	At 31/12/10	
	31/12/08	30/06/09	31/12/09	Equity method investments	Shares held for sale(*)
<b>Value per share (€)</b>	65.7	44.3	48.6	<b>54.4</b>	<b>38.5</b>

<b>Balance sheet value (€M)</b>	5,354	3,978	4,365	<b>5,004</b>	

The valuation of Saint-Gobain was tested for impairment on each balance sheet date. This led to a full reversal of provisions allocated for Saint-Gobain on 31 December 2010, and produced a value of €54.4 per share. For information purposes, the calculations using unchanged WACC and long-term growth figures led to a DCF value of €60.5 per Saint-Gobain share on 31 December 2010

## Focus on growth in 2011

### Full year sales and operating income since 2006

### 2011 Outlook

- In a stabilising environment and with a gradual recovery in a few construction segments in Europe, underpinned by strong sales momentum in the emerging economies, Materis expects:
  - ▶ **Total sales growth above 5%** (higher prices, emerging markets, modest growth of mature markets mostly France, external growth)
  - ▶ **Strict price and cost control in an environment of commodity price inflation**
  - ▶ **Selective and targeted M&A**
  
- **Materis has set the following long-term objectives:**
  - ▶ Leveraging strong growth in emerging markets on Aluminates, Mortar and Admixtures businesses
  - ▶ Maintaining strategic positions in Southern Europe (Spain, Italy and Portugal), despite adverse economic conditions
  - ▶ Developing market share in mature economies, essentially for Paints division
  - ▶ Continued innovation and R&D to fuel organic growth

### 2010 highlights and financial situation

- **Sales up 30.2% (+24.1% in organic terms)** with a slowdown in growth during the 2<sup>nd</sup> half of the year due to an adverse base effect, in particular in the 4<sup>th</sup> quarter of 2010. The year was driven by:
  - ▶ Strong growth in emerging markets (63% of sales)
  - ▶ Stepped-up marketing efforts by strengthening our teams
  - ▶ Strong recovery in all end-markets, especially automotive sector (Leather Finish and Permuthane®)
- **Sharp increase in operating margin to 14% of sales (+210 bps)**
  - ▶ Gross profit under control despite higher commodity prices starting in the 2<sup>nd</sup> half of 2010
  - ▶ Permanent control of costs base while maintaining selected industrial investments
- **Sharp fall in financial debt to €181M**, notably following the financial restructuring

### 2011 outlook

- In a global economy driven by high growth regions, Stahl expects for 2011:
  - ▶ **Return to organic growth of approximately 5%** despite an less favorable base effect, driven by emerging markets and focused on selling price
  - ▶ **Careful management of WCR and fixed costs** in an inflationary environment for raw materials
  - ▶ **Continuing reallocation of resources to high-growth areas** (in particular China and India)
  - ▶ **Improved operating margin in each division**
- **The Group's long-term targets:**
  - ▶ Priority to organic growth with a target above 5%
  - ▶ Seizing possible opportunity for targeted acquisitions, especially in the "performance coatings" sector and in high-growth areas

## A market with strong and steady growth

- **A constantly-expanding population** (1.5 million new households every year)
- **194 million consumers** (over half are active)
- **Strong economic growth** with expected GDP growth of nearly 4.5% in 2011 (in line with the average of the last 7 years) led by:
  - ▶ A burgeoning middle class (+20 million people in 7 years)
  - ▶ Household spending is constantly rising (more than 5% annual growth on average since 2005)
  - ▶ Huge infrastructure needs in the medium-term (football World Cup in 2014 and the Olympic Games in 2016)
  - ▶ Development of country's resources (oil and agriculture)
- **Strong industrial development** (Automotive, steel, energy)
- **Construction markets growth of nearly 10%**
  - ▶ High-growth sector to satisfy growing housing needs
  - ▶ A sector that is subsidised by the authorities (Minha Casa, Minha Vida 2: \$150bn in public aid for the construction of 2 million housing units over the period 2011-2014)

**Group companies are well positioned  
in these sectors**

## Speed-up effect on growth

### ■ Historic leadership positions

- ▶ Well-known and established products and brands
- ▶ Regional, national, international coverage

### ■ Europe (61%): construction market is gradually recovering

- ▶ Exposed to countries with the highest growth i.e. France (+1.5% in 2011e for the construction market including +2.4% in residential) and Germany (+1.3% in 2011e including +2.4% in residential)
- ▶ Balance between renovation/new builds on the residential market to capture all sources of growth (+1.9% in 2011e o/w +3.0% for new construction and +1.3% for renovation)
- ▶ Non-residential sector stabilising in 2011, before recovering gradually in 2012

### ■ United States (12%): Stabilisation of the construction markets in 2011

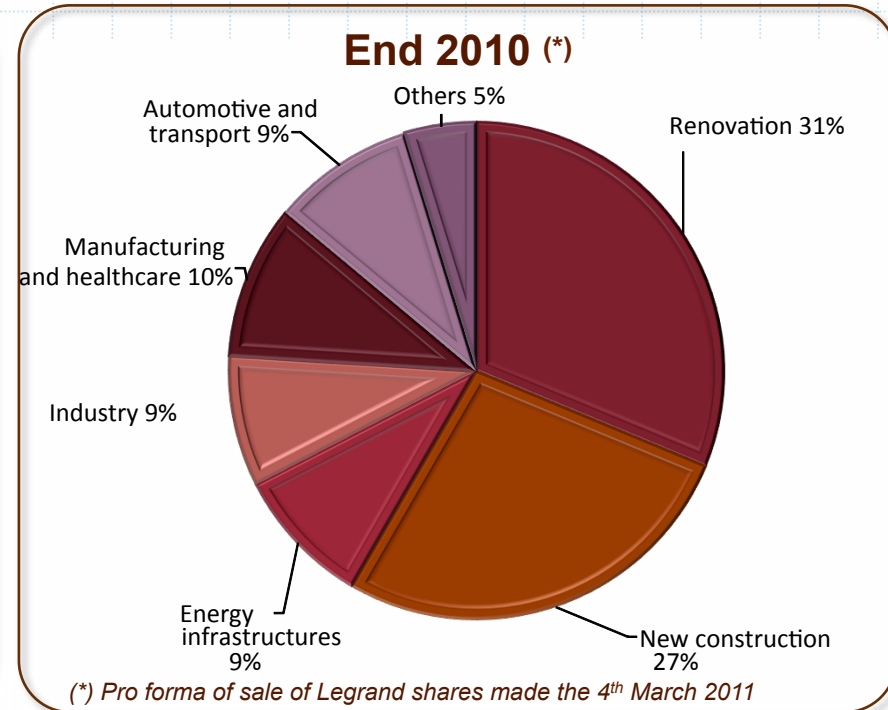

- ▶ 2011, construction market is stabilising with residential growth expected to be +3.8% counter-balanced by a non-residential market that is still struggling (-4.0%)
- ▶ Rebound in the market expected in 2012, driven by strong residential growth and stabilisation in the non-residential sector

# Wendel: sector exposure

## Diversification continues

- **Diversified exposure of 58% in construction** balanced between renovation/new construction:
  - ▶ **31% in the resilient renovation market:** strong base established in Europe with housing that has a long lifespan and improvement in the United States boosted by government aid
  - ▶ **27% in the struggling new construction market:** recovery expected in Europe due to housing starts which remain low and the stabilisation in the United States
- **Balanced exposure to other sectors (around 9% each)**
- **Good positioning in order to benefit from the global economic recovery**

Share of Group company sales in each region in portion to Wendel ownership on the basis of sales of €10.6bn as of 31 December 2009 and €11.2bn as of 31 December 2010

  - 2010e profit before tax: €16M
  - Fleet managed: 41,500 vehicles
  - Average duration of contracts: 3 years
- ▶ A core business model with two complementary activities

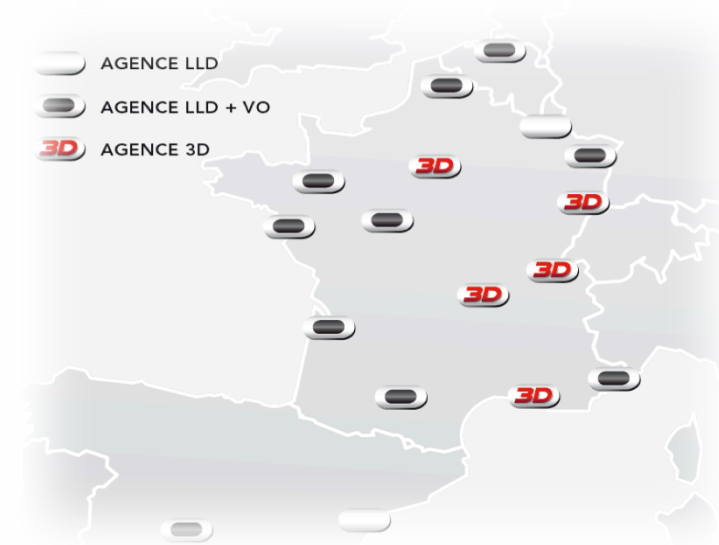

# Parcours: specific qualities

- ▶ A unique business model focused on integrated services with high added value that differentiates it from competitors **Parcours 3D**
  - Vehicle leasing
  - Maintenance of leased vehicles
  - Resale of used vehicles

- ▶ A network of regional branches throughout the territory as an international development model

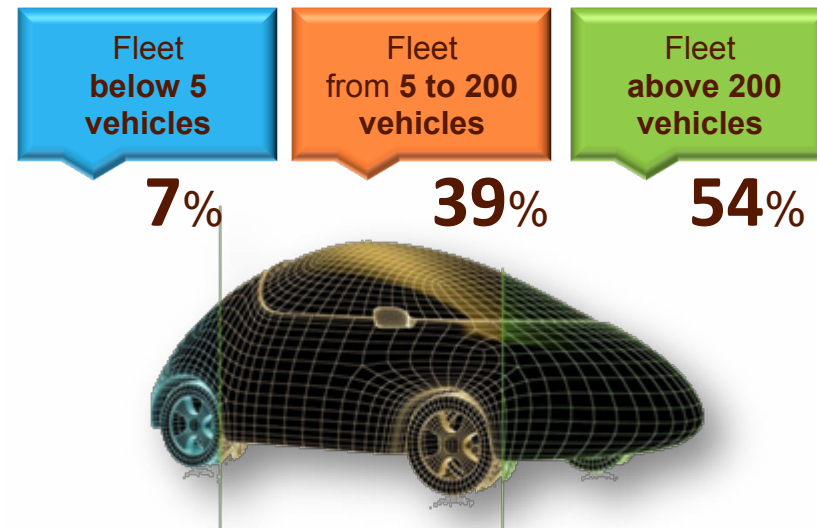

- Network's density has gradually expanded since 1989
- 22 branches today in cities with more than 400,000 inhabitants (18 in France and 4 in other European countries)

# Parcours: specific qualities

- ▶ Customer satisfaction: growth driver
  - For historic clients (more than 6 years), Parcours manages an average of 80% of their fleet
  - For new clients (from 3 to 6 years), Parcours manages an average of 60% of their fleet
- ▶ Growth boosted by gains in market share
  - Fleet managed multiplied by 2.4 over the period 2005-2010
  - 2,500 clients (93% with a fleet in excess of 5 vehicles)
  - 140 new client wins in 2010 with an average fleet of 90 vehicles
  - 50% of used vehicle resale to private persons

Split of fleet managed by PARCOURS according to the size of clients' fleet (1st January 2011)

## Parcours: strong growth prospects

- ▶ A European market which has not already reached its maturity stage
  - Market penetration of 25-30% in France (rate above 55% in the UK and Benelux)
  - Development prospects in Germany and South of Europe (Spain, Portugal and Italy)
- ▶ A market more and more sensitive to “services”
  - Strong integration of “services” in client financial approach
  - Evolution and creation of “services” dedicated to client needs

**Two factors fuelling Parcours  
growth prospects**

**2011**

**Revenue expected to grow  
by over 10%**

Appendix 2:  
Additional information about  
Parcours

A business model focused on integrated services that differentiates it from competitors

## A complete services offering with high value added

### Parcours Operational Leasing

- Delivery and pick-up of vehicles to and from the location of the customer's choice
- Adjusting invoices on contracts to account for actual consumption
- One contact person who is ready to offer personalised service
- Possibility of monitoring contracts on a daily basis by the client
- Management of fuel and toll cards
- Simple and transparent pick-up process

### Parcours Garages

- Maintenance and repairs are handled by the network of garages
- 24/7 assistance
- Tyre replacement
- Replacement vehicle is made available
- Refurbishing vehicles before they are resold

### Parcours Used vehicles

- Positioning on the most lucrative used market (vehicles 1-5 years old) that has grown steadily by 1.5% per year over the last 10 years
- Monitoring of the vehicle over the duration of the contract: impeccable quality and reliability of vehicles facilitates resale
- Individuals segment increasing (more than 50% of sales); it is the segment the least affected by business cycles
- The lessee has the option of buying the vehicle at the end of the contract

# Parcours: Growth boosted by gains in market share

- **Parcours is centred on 2nd and 3rd generation customers**
  - ▶ Most clients are already familiar with operational leasing
  - ▶ Clients seek improved service and prefer to have all extra costs included in the contract
- **A premium positioning in terms of price, but offering a very competitive<sup>(1)</sup> TCO**
- **From 2005 to 2010, Parcours' market share doubled**
- **Success underpinned by:**
  - ▶ A differentiating positioning (very customer-oriented offering and sales strategies that target mature clients)
  - ▶ An effective vehicle resale model (centres targeting businesses and individuals)
  - ▶ A model that creates sales synergies and costs between operational leasing activities, the resale of vehicles to individuals and internal garages ("Parcours 3D" model)

*(1) Total Cost of Ownership: includes all the costs that make up a product or service (purchasing price, maintenance costs, cost of taxes and insurance, resale price, etc.)*

# Customer satisfaction: growth driver

**Average market share  
as a percentage of the fleet held  
at the top 10  
clients**

- **The top 10 clients split into 2 categories**
  - ▶ Historic clients (more than 6 years)
  - ▶ New clients (3-6 years)
- **Parcours manages, on average, 80% of its historic clients' fleets**
- **For new clients, Parcours manages an average of 60% of their fleet**
- **Customer satisfaction of Parcours' services ensures long-term market share gains in the managed fleet**
