22/02/08

On January, 31, 2008, Bureau Veritas Germany acquired ZILLER-A.S.S. Sachverständigen GmbH Brandschutz.

Founded in 1978 and headquartered in Frankfurt/Main, ZILLER-A.S.S. Sachverständigen GmbH Brandschutz is a company specialized in fire prevention services covering the whole construction cycle for new buildings. ZILLER-A.S.S. has also in-depth knowledge and experience in providing fire safety services for existing buildings and building substance of the last century.

ZILLER-A.S.S. and Bureau Veritas organise one of Germany's largest fire prevention conference & exhibition with around 1.000 participants, the 2008 event taking place in Frankfurt/Main on April 09/10.

In 2007, with 26 employees, the turnover of ZILLER-A.S.S. reached 2 million Euros. Top clients include: Messe Frankfurt, Deutsche Bank, Lufthansa, IKEA, German Football Association (DFB), various Real Estate investors, property management companies and construction companies.

With the acquisition of ZILLER-A.S.S. we add an experienced and well recognized team in the area of fire prevention and safety to our group. It allows us to strengthen the business segments Construction & Real Estate (CTC) as well as Health, Safety and Environment (HSE) in Germany and Europe.
