Bureau Veritas acquires SurveyCan.

On December 01, 2007, Bureau Veritas acquired SurveyCan S.L.

Founded in 2003, SurveyCan is a company specializing in In-Service Verification services, notably in the field of low and high voltage regulations. In 2006, with 15 employees in Tenerife and Las Palmas, Canary Island, Spain, its turnover reached 1.2 million euros.

With this acquisition, Bureau Veritas will hold a strong position within the inspection industry in the Canary Island, with a particular focus on the field of In-Service Verification.
