

Cromology

l'art des peintures professionnelles

2-5 March 2016, Munich : Cromology @ Farbe

Cromology attended the Europe's most important trade fair for paint, facade design and interior architecture.

Our booth enabled visitors to discover flagship products and latest innovations of our commercial brands with a footprint throughout Europe, Classidur (Claessens, Switzerland), Vero (Cromology Italy) and Alltek (ICP, France). Cromology also displayed the top-notch latest innovations launched recently by our other brands covering four areas : Ease to use, Environment Respect, Color & Light Innovation and Thermal Comfort.
