**Saint-Gobain and Central Glass plan to set up a JV in Indonesia  
in the automotive glass sector**

Saint-Gobain and Central Glass Co., Ltd. have announced plans to build an automotive glass plant in Jakarta, Indonesia, due to come on stream in the course of 2016.

This investment will enable both groups to take an active part in the fast-growing Indonesian auto market.

Saint-Gobain and Central Glass have worked together in automotive glass since 2002 in Japan, and 2012 in China.
